

OPS STREET STOCKS

5/2/17

UPDATED CARB RULE

NOTE: After receiving several inquiries, we have reviewed and updated the rule to allow use of an unaltered 500 CFM Holly Carburetor. We are posting this to allow Street Stock Competitors time to make Carburetor changes if desired before OPS Opening day on Sunday, 5/7/17.

1-5.9 Carburetor Stock 2 barrel or unaltered 500 CFM Holly carburetor allowed. NO 4 Barrel or 600 CFM + carburetors permitted. No K+N air filters. No spacers permitted.
