

THE REINDEER WINTER ENDURO RULES

ENDURO DIVISION

All types of vehicles are allowed.

1. Absolutely no studded tires, chains or any traction enhancement devices allowed. No loading of tires and only one tire per wheel is allowed, tires must be same size on all 4 wheels
2. No 4 wheel drive allowed. If you have a 4 wheel drive, one driveshaft must be disabled. If you have all wheel drive, the front or rear must be disabled.
3. Regular antifreeze is allowed
4. All cars must have their own scorer

MANDATORY SAFETY RULES (apply to both divisions)

1. Drive must have working seatbelts, five point harnesses suggested but not mandatory
2. All glass, except windshield must be removed
3. All vehicles must have a working fire extinguisher in them
4. Driver must wear approved helmet and gloves. Fire suits are not mandatory, but are highly recommended
5. A 4 point cage is highly recommended, but not mandatory.
6. Driver's door may be plated
7. All batteries must remain under the hood
8. Windshield wipers are allowed, and recommended. Screens may be used in place of windshield
9. All costume or decoration items must be securely attached
10. All drivers must have a current, or have held a driver's license in the past
- 11. All Plastic Bumper covers and Impact Foam Must be Removed and Window Nets are Mandatory**

All Wheel Drive Enduro: All Enduro Rules Apply Except 4 Wheel Drive and AWD Vehicles allowed. Any Vehicles that are Not a Car Must be approved.

“RUN WHAT YOU BRUNG DIVISION”

Any rear wheel drive vehicle is allowed (NO ALL WHEEL DRIVE), ex: outlaws, bombers, streets, figure 8 etc

No studded tires or traction devices. No loading of tires

Must be a car, NOT a van, truck etc

All cars must have their own scorer

Mandatory safety rules apply here as well
